

SPONSOR A BRICK!

Artist's Impression of Cotswold Care Hospice's New Building

Cotswold Care Hospice has launched a £2.2m Appeal to raise funds to replace its current building with a purpose-built Hospice fit for the 21st Century. Over £1.3m has been raised to date, and we now need the help of individuals and businesses within our community in raising the remainder.

The new Hospice building will provide more space and better facilities, and requires **tens of thousands** of bricks to complete. We are inviting local businesses to contribute to this appeal in a very concrete way by sponsoring one, or more, of these bricks for a donation of **£50 per brick**.

All corporate sponsors will receive a certificate, and will be acknowledged in a "Wall of Thanks" on permanent display in the new building, and on a 'virtual wall' on our website **www.cotswoldcare.org.uk**.

With growing numbers of people needing our services, maybe your staff, neighbours, family or friends may call on us in the future. Please help us answer that call by supporting our Appeal today. **Complete the form below and return to Cotswold Care Hospice, Burleigh Lane, Minchinhampton, Glos, GL5 2PQ.**
